1st Year and 2nd Year Students' Satisfaction Survey Result

The Quality Assurance and Institutional Research & Planning (QAIRP) has conducted students' satisfaction survey for 1st year and 2nd year students. The 1st year students survey assessed student experience satisfaction, academic program, transition from high school, learning management systems and support services provided by the University. The 2nd year students survey assessed students' perceptions on academic support, educational tools, facilities and overall university experience. These surveys aim to measure students' satisfaction and seek student feedback and suggestions for future improvement.

The executive summary of the Survey Result can be seen in the following link:
